## Reasons to Try Zrii Rise™ High Performance Coffee

**Did you know? Most people switch to Zrii Rise™ after trying just one cup.**

That's because Zrii Rise™ boasts the sophisticated taste of a premium, gourmet coffee—plus the added boost of superior health benefits. Read on to discover the reasons to try—and love—Zrii Rise™.

### 1 DELICIOUS TASTE

Zrii Rise™ uses only the finest, premium quality 100% Colombian arabica coffee. Sip it once and you'll understand why it is celebrated as the finest coffee on earth. We use a special processing method to maximize the gourmet taste and aroma for your enjoyment.

### 2 BOOSTS ENERGY NATURALLY

Natural caffeine boosts your energy while the antioxidants from green coffee bean extract help increase vitality and stamina. Improve your performance in sports. Increase your joy of living. Feel younger.\*

### 3 BURNS FAT

The green coffee bean extract in Zrii Rise™ helps reduce unhealthy body fat due to a super-dose of

chlorogenic acid, a beneficial polyphenol that signals the liver to burn more fat.\*

### 4 SUPPORTS IMMUNE RESPONSE

Antioxidants from coffee and green coffee bean extract help protect against the damage caused by free radicals—damage that has been linked to numerous chronic diseases and cellular aging. Various scientific studies also show that the superfruit amalaki supports your natural immune response with a high concentration of beneficial antioxidants, vitamin C, polyphenols and gallic acid.\*

### 5 CHOPRA ENDORSED

Zrii Rise™ is the only coffee in the world to receive the endorsement of the world-renowned Chopra Center for Wellbeing, founded by mind-body health expert Dr. Deepak Chopra.

### 6 SUPPORTS CELLULAR HEALTH

Prized for its ability to enhance natural vitality, amalaki is a long-revered superfruit that supports cellular health. Among its benefits: it helps increase red blood cells, enhance the absorption of calcium and iron, and detoxify the liver.\*

### 7 UPLIFTS YOUR MOOD

By increasing the amount of neurotransmitters, like dopamine and norepinephrine, in your system, Zrii Rise™ naturally puts you in a good mood.\*

### 8 IMPROVES DIGESTION

Proper digestion is essential to absorb and assimilate the nutrients in food and beverages. Amalaki is revered as one of the most important healing foods for its ability to help calm acidity and inflammation, and aid digestion.\*

### 9 ENJOY ANYTIME, ANYWHERE

It's a gourmet cup of coffee that doesn't require a fancy coffee maker. Whether you like yours hot or cold, it takes only seconds to savor a rich, energizing, healthy cup of Zrii Rise™. Enjoy it at home to start the day, or toss in a bag to take with you for school, office, or outdoor adventures.

### 10 RAINFOREST ALLIANCE CERTIFIED™

The roasted instant coffee in Zrii Rise™ was responsibly harvested from Rainforest Alliance Certified™ farms. The Rainforest Alliance

Certified™ seal means that farmers follow more sustainable agricultural practices that protect forests, rivers, soils and wildlife, while being good community neighbors. Rainforest Alliance certification also ensures that workers have just wages and improved access to dignified living conditions, health care and education for their children. To learn more about the Rainforest Alliance, visit [www.rainforest-alliance.org](http://www.rainforest-alliance.org).
